**Meg and Dave Wilson** have been married 27 years. They have two adult daughters. They have served as small group facilitators, speakers, and ministry leaders.

Their shared mission to support and encourage other couples however, was born of the pain of betrayal in their own lives. After seventeen years of marriage Dave disclosed his secret life of sexual addiction. In that moment, life as they knew it seemed to crumble into a pile of pain. Gradually, with supportive counseling and God, their suffering turned all they knew about Him into pure gold. They love to encourage others with the same comfort they themselves have received.

**Drs. Earl and Sandy Wilson** have been married 50 years and offer both professional expertise and personal experience in dealing with these issues. They have 5 adult children, 9 grandchildren and 1 great granddaughter.

Earl is an author an psychologist in private practice specializing in treating men with patterns of compulsive sexual behavior.

Sandy is an author, speaker and counselor specializing in treating women who have experienced emotional and /or physical betrayal.
